Opening

A. Engage the Learner - (5 minutes)

- Students enter the classroom, and respond to the questions on Entrance Ticket: Unit 1, Lesson 3.
- A student volunteers to read the posted learning targets or **Equity Sticks**
 - “I can identify strategies to answer selected response questions.”
 - “I can find the gist of chapter 2 of *Summer of the Mariposas*.”
 - “I can explain what effect is created by differences in the points of view of the characters and the reader in the chapter 2 excerpt of *Summer of the Mariposas*.”
- ☐ Students **Turn and Talk** about the most important words in the learning targets (30 seconds)
- ☐ Students **focus on the words *strategies and effects*** and on the phrase ***point of view***. Use total participation techniques to select students to share what they think these terms mean. If they don't know the meanings, share strategies they could use to determine them (context, affixes and roots, dictionary).
- ☐ Students record the vocabulary words in their notebooks

Questions

“What do you think you will be doing in this lesson based on these learning targets?” (We will be determining strategies that we can use to answer multiple choice questions, we will be reading our class novel and determining the gist while identifying new vocabulary, and then we will be analyzing the way the

characters' points of view, and the differences in our point of view, affect the story.)

“How will it help you to be successful?” “Why are we doing this?” (Similarly to yesterday, discovering new vocabulary increases our ability to use that vocabulary to communicate well. Identifying the gist of a chapter helps check our understanding and allows us to easily refer to and remember what the chapter is mostly about. Looking at a character's point of view and how it affects the text will help us understand why the author wrote the text this way and how it impacts us as readers.)

B. Determine Strategies to Answer Selected Response Questions - 5 minutes

Review the learning target relevant to the work to be completed in this section of the lesson:

“I can identify strategies to answer selected response questions.”

- Review the entrance ticket students responded to as they entered the classroom, and ask students

Turn and Talk:

“What strategies did you use to answer this question and the selected response questions in your homework?”

- Review the answers to the selected response question from the entrance ticket and address any questions or misconceptions. Emphasize that students will dig more into point of view later in the lesson.
- **Students share out**, capture their responses on the **Strategies to Answer Selected Response Questions anchor chart**.
- **“How did these strategies help you to better understand the text?”**

Sharing Our Work

When we share our work, we should:

- Use a loud and proud voice so others can hear.
- Say words clearly so others can understand them.
- Use complete sentences.
- Ask for and answer questions from classmates.

- Teacher/student reads the guiding questions from yesterday. Teacher asks students to share any discussions they had with family about the guiding questions from last night's homework.
- Teacher shares a personal story about Latin American Folklore and reflect on how family and culture has impacted her own identity.

Work Time - A - 15 minutes

Read
Summer of the Mariposas,
Chapter 2 Excerpt

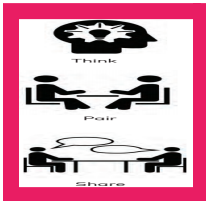

Work Time A

A. Read *Summer of the Mariposas*, Chapter 2 Excerpt – SL.8.1

Review the learning target relevant to the work to be completed in this section of the lesson:

- “I can find the gist of the chapter 2 excerpt of *Summer of the Mariposas*.”
- Students retrieve ***Summer of the Mariposas***, look back at their chapter 1 gist notes as a reminder of what was read in the previous lesson.
- Some students will read independently or in small groups, and the teacher sets the time for them to read the excerpt.

- After the allotted reading time, teacher directs students to the **Synopsis: *Summer of the Mariposas*, Chapter 2**
- Throughout the reading, students must record new words in their vocabulary logs. **Collect Spanish words encountered** on the same **chart paper of Spanish words**, inviting Spanish speakers to translate the words.

- **THINK -PAIR-SHAARE**

Questions

1. **“What happened? What are the main events? How is the plot unfolding?”** (We learn that Velia took the dead man’s money, and she and Delia want to use it to take the dead man home to Mexico. Odilia, on the other hand, thinks this is too dangerous and reminds the girls that they have no way to get there. Odilia feels responsible for her sisters and is worried about getting in trouble with the authorities or with her mother for even being at the swimming hole to begin with. Odilia goes to speak with her mother, but her mother will not talk to her because she is busy at work. So, Odilia makes up a plan to pretend she is going to a sleepover and then act as if she is their mother coming home from work so that the girls will not leave the house. However, the girls still attempt to leave, and, in the end, Odilia jumps in the car with them.)
2. **“What is the gist? What is this chapter mostly about?”** (This chapter is mostly about how the sisters continue to argue about what to do, and even though Odilia tries to stop them, they eventually all get in the car to drive to Mexico.)
3. **“In what ways did characters show respect or empathy in this chapter? Did any characters face challenges in showing respect and/or empathy?”** (Odilia feels responsible for her family and tries to prevent them from traveling to Mexico to return the body. She is showing empathy in her own way. On the other hand, Juanita thinks

it is respectful to return the body to his family, and motivates them to do so. The sisters are challenged in their ability to understand each other's perspectives or motives, which makes it difficult for them to show empathy for one another.)

4. "What is your point of view on this situation? Did the girls do the right thing? Why or why not?" Student responses will vary, but may include the following: no, because stealing a car is not only against the law, but is also very dangerous.)

B. Analyze Point of View: *Summer of the Mariposas*, Chapters 1–2

Excerpts – RL.8.6 - 15 minutes

- Review the learning target relevant to the work to be completed in this section of the lesson:
"I can explain what effect is created by differences in the points of view of the characters and the reader in the chapter 2 excerpt of Summer of the Mariposas."
- Direct students' attention to the **Analyze Point of View anchor chart**, and invite a volunteer to read the definition of point of view aloud. Draw connections between the selected response question asked at the beginning of the lesson and the definition on the anchor chart.
- Invite students to turn to page 32. Read aloud the excerpt beginning at "What are you doing here?" on page 32 and ending at "it's not an emergency" on page 33 as students read along silently.

THINK -PAIR-SHARE

1. "From what point of view is this novel written? How do you know?" (First person, because the narrator says "I.")
2. "Who is the narrator? Who is talking to Mama? How do you know?" (Odilia, because she is the narrator of the novel.)
3. "From reading this excerpt, what do you, the reader, know that Mama doesn't know? What effect does this create?"

4. “How does the author use differences in the points of view of the characters and the reader to create effects like suspense or humor?”
(Using a first person point of view, the author enables the reader to see some events that the other characters don’t see.)

Homework

 Homework	● Determine the Meaning of Unfamiliar Vocabulary: Complete Homework: Unfamiliar Vocabulary: <i>Summer of the Mariposas</i>, Chapter 2 - page 165 ● Preread Anchor Text: Chapter 3 of <i>Summer of the Mariposas</i>
--	---

A. A. Determine the Meaning of Unfamiliar Vocabulary

- Using **Homework: Unfamiliar Vocabulary: *Summer of the Mariposas*, Chapter 2**, students answer a combination of selected response and short constructed response questions that ask them to determine the meaning of unfamiliar vocabulary and state their strategies for doing so.

B. Preread Anchor Text

- Students should preread chapter 3 of *Summer of the Mariposas* in preparation for studying an excerpt from the chapter in the next lesson

Differentiation** Students will be given an synopsis

Tier 1: Universal Supports (All Students)

1. **Pair Work for Comprehension:**
 - After reading the excerpt, students will review the Synopsis: *Summer of the Mariposas, Chapter 3* in pairs to identify key events. This encourages collaboration and peer support.
2. **Sentence Fragment Analysis:**
 - Introduce additional sentence fragments for all students to analyze, helping them practice sentence structure and identify common errors.
3. **Visual Aids:**
 - Provide graphic organizers outlining key events or characters in the chapter to help students visually map their understanding.

Tier 2: Targeted Supports (Some Students)

1. **Advance Summary Distribution:**
 - Distribute the Summary: *Summer of the Mariposas, Chapter 3* before reading. Direct students to annotate or highlight key events in the text to guide their focus.
2. **Group Fragment Creation:**
 - Organize small groups where students create sentence fragments for their classmates to edit. This fosters critical thinking about sentence structure.
3. **Audiobook Support:**
 - Provide an audiobook version for students to follow along as they read, enhancing comprehension for those who struggle with fluency.

Tier 3: Intensive Supports (Few Students)

1. **Individualized Annotation Guidance:**
 - Work with students individually or in very small groups to guide their annotation of key events in the summary and text, offering direct feedback and support.
2. **Focused Sentence Structure Practice:**
 - Provide targeted instruction on sentence structure for students who need more intensive support, using personalized examples and practice activities.

3. **Increased Access to Resources:**

- **Ensure that students have frequent access to the synopsis page and other resources, offering additional support as needed to reinforce understanding.**

4. Teacher reads to students as they follow along.

For lighter support:

- Before modeling recording the gist of the chapter excerpt, model determining the gist of a single paragraph. Then, ask students to do so with another paragraph in pairs. This breaks down the process using smaller chunks of text to gradually introduce students to the concept of gist.

- **For heavier support:**

- To help ELLs recognize gist in the chapter 1 excerpt, prepare sticky notes with prewritten words or drawings based on the gists of different sections of the excerpt. After students read, they match the gists on the sticky notes with the corresponding sections. (Flash Cards)
- Audiobook, for students to follow along with as they read texts to help facilitate comprehension. ([Google Classroom Audio book](#))
- [Sora.com](#)
- <https://www.youtube.com/watch?v=Ruk62513OLQ>
- Students will refer to the synopsis page if they did not finish reading the excerpt or to help with understanding the gist of the chapter
- Students will complete varying comprehension questions

QuickWrite: *Summer of the Mariposas*, Chapter 2

RL.8.1, RL.8.6

(Answers for Teacher Reference)

Read the excerpt in chapter 2 beginning at “What are you doing here?” on page 32 and ending at “. . . it’s not an emergency” on page 33.

QuickWrite to answer this question (this means write whatever comes into your head based on what you have read in the text):

From reading this excerpt, what do you, the reader, know that Mama doesn’t know? What effect does this create?

The reader knows that Odilia is in fact having an emergency that her mother should know about, and she is not simply being a nuisance as Mama seems to think. This creates an effect of suspense and anxiety because the reader is desperate to know what will happen next and wishes that Odilia would simply tell her mother what is going on.
